

## 04.C.3. eDoctrina Mobile Scanning Application

It is possible to scan Web Answer Sheets using the eDoctrina Answers Scanner app. All that needs to be done is to download the free eDoctrina Answers Scanner app from the Apple App Store or Google Play Store.

### Logging In Without Single Sign On

After the app has completed downloading you may tap the eDoctrina Answers Scanner icon and log in using your regular eDoctrina login credentials:

Alabama

--any district--

--any school--

Login

Password

Remember me

LOGIN

*Note: If the eDoctrina login is not working or unknown, please see help guide [01.D How to Reset Your Password from Login Page](#)*

### Logging In With Single Sign On

If your district uses a Single Sign On solution such as ADFS then you will need to log in to eDoctrina from your mobile device. Once logged in you will see a button on the Home Page titled "Launch Mobile Scanning App". Tap on this button to open the eDoctrina Scanning App and be automatically logged in:

Jason Koster ▾

# Launch Mobile Scanning App

Scan WEB answer sheets on your mobile device.

**Plan.**

 Re-arrange homepage buttons

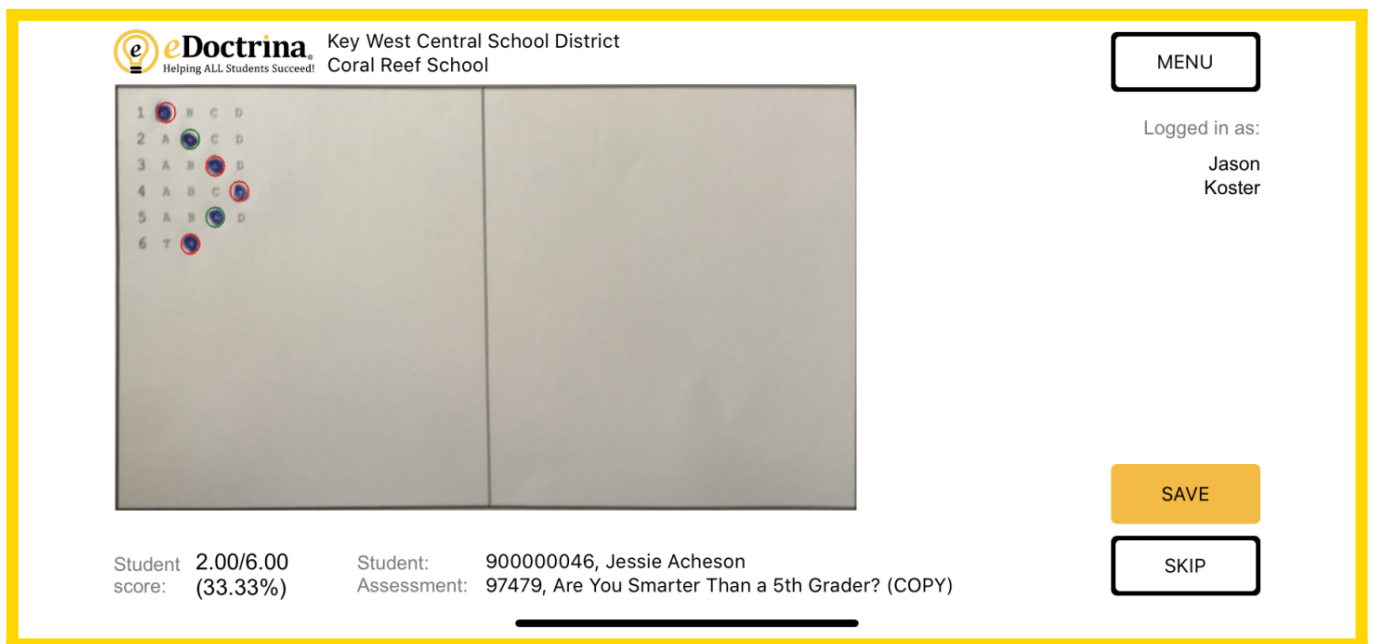

Note: This login method will also work if a Single Sign On Method is not employed as well.

## Scanning

After logging in you're ready to scan your web answer sheets. Use the red guide marks to help you align your camera to the answer sheet:

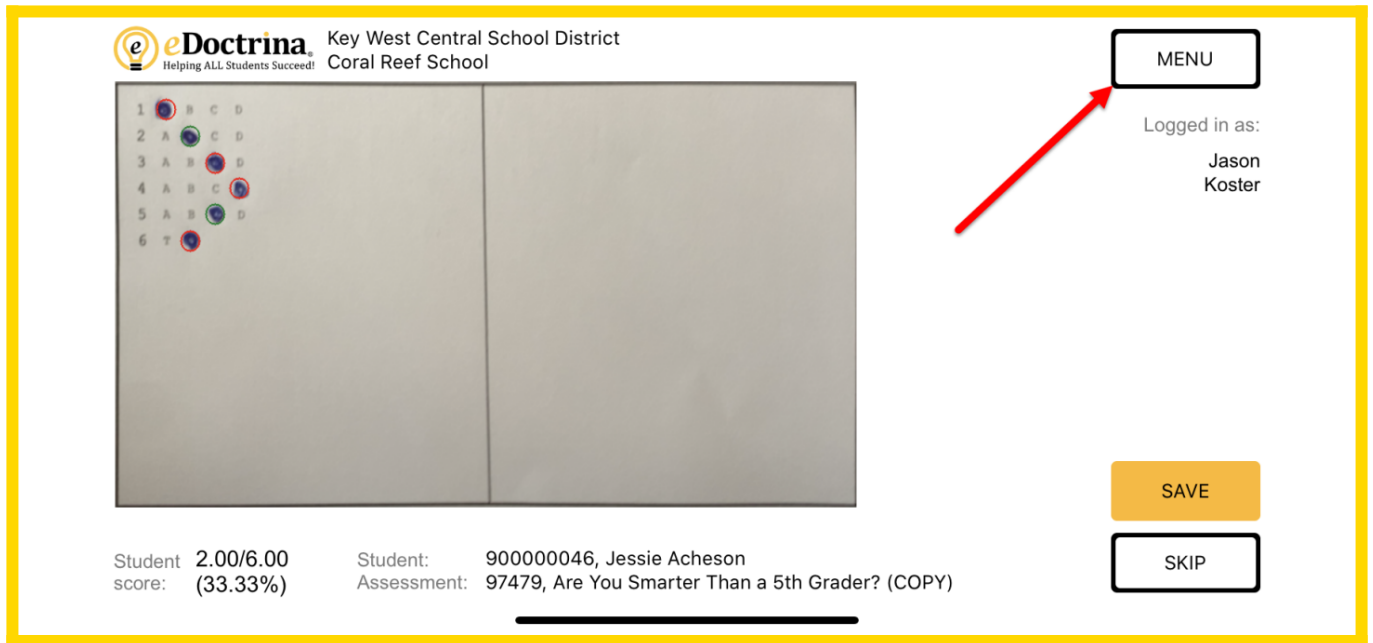

You'll hear a "beeping" sound to indicate that you have scanned the answer sheet successfully:

From here you can save the result by touching the "Save Button" or discard the result by touching the "Skip" button.

## Logging Out

Once you have finished scanning your answer sheets you may log out by touching the menu button and then selecting "Log out":

The screenshot shows the eDoctrina app interface. At the top left is the eDoctrina logo with the tagline "Helping ALL Students Succeed!". To the right of the logo, it says "Key West Central School District" and "Coral Reef School". Below the logo is a grid of six rows and four columns of bubbles, representing a multiple-choice test. The bubbles are numbered 1 through 6. A red arrow points to a "MENU" button in the top right corner. Below the menu button, it says "Logged in as: Jason Koster". At the bottom right, there are two buttons: "SAVE" and "SKIP". At the bottom left, it shows the student's score: "Student score: 2.00/6.00 (33.33%)". To the right of the score, it says "Student: 900000046, Jessie Acheson" and "Assessment: 97479, Are You Smarter Than a 5th Grader? (COPY)".
