

Assessment Name

Helpful Hints:

- Name your assessment so you can easily search for it using a keyword search.
- The name of the assessment displays on answer sheets, printed assessments, online assessments, and basically all assessment reports.

Frequently Asked Questions:

Q: Can I change the name of the assessment after it has been named?

A: As long as the signed-in user has permissions to edit the assessment, they will be able to update the name of the assessment at any time.

Lessons Learned Log

- Determining a district-wide naming convention has helped districts to organize their assessment bank so it is easier to find the correct assessment.
