

Managing Student Accounts

After logging in to eDoctrina, under the Settings navigate to > Student Information Data > [Classes](#) homepage.

select the students  icon next to the class name.

Select "Enrolled Students Only"

Users can see the username, last login and test assignments for each student in the class selected.

Please note due to a district setting, teachers may or may not have the ability to reset a students password.

In Class	ID	UID	First Name	Middle Name	Last Name	Grade	User Name	Last Login	Test Assignments	Status	Password
